Matt,

A couple small editorial things, thanks for your comments. Once you've incorporated all changes you have, please provide us a final by EOD if possible.

Hi All,

Thanks for the call yesterday, as promised here is the letter we've been working on. We updated it a bit after our call yesterday to capture more of the language we seemed to be agreeing on. Please take a look with a careful eye towards the key points we've laid out, and let us know if something major is missing. For your respective attachments, please provide them on letterhead or in a memo style as discussed on the call. I'd like to get comments back by Tuesday and attachments on the same day or shortly thereafter to keep this moving.

Thanks again,

Lyndsey Tu
